

Memo

TO: All Fremont Teachers
FROM: Moina Shaiq, Chair,
Celebrate Fremont Education Team
RE: Submission of Celebrate Fremont Art Projects
DATE: November 28, 2005

In a memo dated September 22, 2005, I shared the following information about the Fall 2005 Celebrate Fremont Art projects:

Fall 2005: Art projects. Visual representation of Fremont history. Fremont then and now, drawings, paintings, collages, dioramas, watercolors, photographs, crafts, just to name a few.

These projects are due **December 8, 2005**. After you have collected all the projects from your class, please submit the best three projects to the Celebrate Fremont Education Team. The Education Team will award prizes for the best three projects at every grade level citywide. Projects will be placed in storage for display at the Celebrate Fremont @ the Park festival scheduled at Central Park on Sept. 9-10, 2006, and returned to students following the festival.

Please label all projects submitted with the following information:

Student Name
Teacher Name
Grade level
School
Date

Celebrate Fremont Education Team volunteers assigned to each high school attendance area will contact schools to arrange to collect projects.

If you need to have projects picked up before or after your school's scheduled collection day, please e-mail the Celebrate Fremont Education Team at: Education@celebratefremont.org or complete the form on the Celebrate Fremont website: celebratefremont.org under SUBMIT YOUR PROJECT.

For further information about the Celebrate Fremont art projects, you also may call FUSD Communications Director Gary Leatherman at 659-2594.
